A SHORT HISTORICAL SKETCH
OF THE BROWN FAMILY

Reuben Brown one of a family of 13 children was born in the State of New York June 22nd 1799 as will be seen the first six months of his life was spent in the days of Washington. At an early day he moved to Jackson County, Ohio. Two brothers Simpson and zephaniah were early settlers of Tippicanoe Co. Indiana. Both died many years ago. Their descendants the Browns-Wiggins and others are numerous in Indiana. As a child we remember Uncle Simpson coming to the parental home. The day not being pleasant he asked Mothers concent to smoking in the house, a privilege not granted in his own home. We thought it pretty hard then but admire the wife's pluck today. A sister Mrs. Minerva Lott came on a visit to her brothers. Reuben Brown was married to Sarah Jones April 2, 1818. Moved to Defiance County in 1838 and settled on the Infirmary grounds on which we are gathered today. In the family were 9 children, Henry, Nancy, Wesley, Lucinda, Johanna, Mary, Charles, Nathan and Jes. Henry Brown was born April 13th 1819 in Jackson County, Ohio, came with his parents to Defiance County, Ohio in 1833. Was married to Hester Ann Partee August 28, 1842. Of their four children but one is living, our President, C.W. Brown a member of Company E, 111th Reg't. during the Civil War. was married to Hannah Deiden in Apr. 1867. Their only daughter Carrie was married to Byron Hannah in Feb. 1887. They have four children. Hester A. Brown died Dec 10, 1879 and Henry Brown on the following day. Nancy Brown, our Mother was born May 12, 1821, was married to John Partee Oct. 10th 1839. We heard her speak of going to her new home, not in a buggy, nor an automobile, but walked a short distance, stepped over a fence and was at home. Of their seven children but three are living, Mrs. W. P. Bayes of Farmer, W. A. Partee of Angola, Ind. and Mrs. J.O. Wisler of Defiance. The war cloud came and the dark days of 61 to 65 is not forgotten. Their eldest born Alvero enlisted in Company E, 14th Regiment. Girlish hearts were light not fully realizing the horrors of war. For the Boys in Blue were our heroes then but we well remember the falling tears, the sad hearts when the message of missing came to us from the bloody plains of (? Yemon) where one of our household names was added to the long list of martyrs for freedom. Wesley B. was born August (?22nd) 1823) was married to Eliza Dull Oct. 30th 1845. Of their five children but two are living. Mrs. A. W. (?Hagas) and Alva who lives in Defiance. Lucinda B. was born Sept 22nd 1825 and died Jan. 21 1849. Johanna Brown was born May 9, 1829 married to Thomas Reid Aug. 30, 1849, died in Feb. 1899. Of their seven children but three are living. Mrs. D. E. Partee, Mrs Edd Rogers & J. W. Reid. Both are dead and three children are living. John R. in Detroit, Sam in Perrysville and Horace in Toledo. Southern
Cayuga County

Dear Researcher:

Thank you so much for your inquiry on Family History. We at the Cayuga Owasco Lakes Historical Society will try and get to your request as soon as possible.

We will proceed with all the records that are contained in our research center first, and then if our sources are not enough, volunteer researchers go to Auburn to the Cayuga County Historians office and research their information. Sice Auburn is the County seat for Cayuga County, we are able to check land deeds at the County Clerks office, and finally Wills at the County Court House.

We try and do a diligent search just as others before us have done for so many years. Leslie Luther was the Moravia Historian for 25 years and it is amazing the collection of data this man amased in his tenure as Historian. It is even all the more an example for us, that most of his work was handwritten. Our research Center in Moravia is named after him.

This letter will explain why the search may take a few weeks, for we will endeavour to do a through examination of all the local resources available.

Sincerely,

Laurel Auchampaugh

- THE NEW YORK STATE MILITARY TRACT -

Lands purchased by the State from the Onondaga Indian Nation in 1788 and from the Cayuga Nation in 1789 were surveyed into 28 Military Tract Townships to satisfy the claims of veterans of the Revolutionary War who had been promised farms as an inducement to enlist in New York regiments.

Each township was sub-divided into one hundred farm lots of 600 acres. These were assigned to qualified veterans by lottery.

It is important to distinguish between Military Tract TOWNSHIPS which are land sub-divisions whose bounds never change and the civil TOWNS which are political sub-divisions of a county and may be enlarged or divided from time to time in response to population changes.

History serious business for Moravia's Historical Society

By Dorothy Long
Correspondent

With the completion of the move to their new "history house" members of the Cayuga-Owasco Lakes Historical Society are gearing up to expand the services they offer.

Since 1966, when the society was formed, members have quietly gone about the business of preserving the history of Southern Cayuga County, specifically the towns of Fleming, Genoa, Ledyard, Locke, Moravia, Niles, Owasco, Scipio, Sempronius, Springport, Summer Hill and Venice.

Until late last year, hundreds of historical and genealogical files were crammed into one small room in their tiny headquarters on Moravia's Main Street.

Most of their nearly 3,000 artifacts were tucked away in the attic, uncatalogued and forgotten, said the society's president, Rosemarie Tucker.

Now that they have more room, members look forward to doing their research and organizing their treasures in spacious quarters.

There will be more opportunity to share their efforts with the community, Tucker said.

But the new, larger house on West Cayuga Street in Moravia, bequeathed to the society by Stanley Balbirnie in 1985, wasn't clearly a windfall, Tucker said.

The house needed a lot of work. It was without electricity, insulation or plumbing.

In fact it took a lot of discussion over almost two years before the society finally agreed to accept the gift.

But several fund-raisers, the sale of the old house, help from a county youth employment program, and hours of volunteer work by society members made the move possible late last year.

Tucker said the community was also generous with donations, including a furnace from businessman John Young.

A local artist, Barbara Schram, donated the paint so that another artist could stencil the walls.

The stenciling done by Debbie Mawhir is authentic to the era the house was built, Tucker said, in both its style and purpose

"That's what people did in those days when they couldn't afford wallpaper, and we couldn't afford wallpaper."

Much of the house has been refurbished to resemble the original design.

One room, destined to be a bedroom exhibit where antique bedroom furniture and quilts can be shown, has had old carpet stripped from the floor to reveal a wide plank floor, now refinished to look much as it did when the house was built.

Historical records are now stored in two rooms that make up the "Leslie Luther Research Library," so named because the bulk of materials were donated by the estate of Luther, who was town historian in Moravia for more that 25 years.

Tucker uses the various forms of information in the genealogical research the society specializes in.

To trace family historys she uses cemetery, public and family records, scrapbooks, newspaper clippings, census records and Bible records.

Tucker said sometimes a request will take hours of work, and only a few words of reference can be found.

With the move, Tucker said, the society plans to use the new house as a museum.

With the additional room they will display the antiques donated by members and the community.

They plan to keep the lower front room as a dedication to Millard Fillmore, the 13th President and a native of the town of Locke.

The kitchen holds a permanent exhibit of kitchen utensils. There will also be a permanent bedroom exhibit and several exhibits that will change to allow for more artifacts to be shown.

The society has racks of clothing, rooms of furniture and boxes of old photos and postcards to show

Tucker said they hope to work with local schools, coordinating exhibits to curriculum and encouraging field trips.

The new house, like the old one, will be open from May through October on Mondays and Saturdays from 1 to 4 p.m. and other times by appointment.

CAYUGA-OWASCO LAKES HISTORICAL SOCIETY
14 WEST CAYUGA STREET P. O. BOX 247
MORAVIA, NEW YORK 13118

Cayuga-Owasco Lakes Historical Society (C-OLHS) was found in 1966 to preserve the history of the 12 towns of Cayuga County which are south of the City of Auburn, New York. By 1975 its collections had become large enough to warrant a permanent home and this was accomplished in 1976 when "History House" on South main Street, Moravia was purchased. In 1985 Stanley Balbirnie bequeathed his home on West Cayuga Street to C-OLHS. -- it was without electricity, insulation and plumbing. The property on South Main Street was sold and we have now relocated to "History House" at 14 Cayuga Street.

The present holdings of the Society include over 3,000 items, mostly donations from the local citizens of the communities. These range from antique artifacts of furnishings and clothing , to genealogical records. A major portion of the local history and genealogy records came to us from the Leslie Luther Estate and are housed in our "Luther Research Center". Mr. Luther had been Moravia's Historian for 25 years and had collected vital cemetery records and family records as well as scrapbooks and newspaper abstracts while serving in that role. Millard Fillmore, 13 president of the United States, was born in Summer Hill in 1800, was raised in Niles, studied law in Montville, married Abigail Powers of Moravia. We have artifacts and information on file on both the President and the First Lady as well as their families.

Census records of our area in 1800, 1810, 1820, 1830, 1840, 1850, 1900, and 1915 are on file on microfilm in the Luther Research Center. All cemetery records for our area have been copied and indexed. Over 250 family files augment the records of individuals who have lived and/ or passed through our area. These many range from newspaper clippings and letters to whole lineages of several generations, as well as indexed index cards of Revolutionary War veterans. (A listing of some of the family names can be found on the reverse side of this sheet.)

During the months of May-October, *"History House"* is open each Monday and Saturday from 1-4pm for tours and research as well as evenings by appointment. During the months of December-April a prior appointment is needed, since the house is closed for the winter. Mail requests may be sent any time to our mailing address. The following is the Research Fee Schedule:

VEGETINE
Prepared by H. R. Stevens, Boston, Massachusetts.

Vegetine is Sold by All Druggists.

Many who are suffering from the effects of the warm weather and are debilitated, are advised by physicians to take moderate amount of whiskey two or three times during the day. In a little while those who adopt this advice frequently increase the number of drinks and in time become confirmed inebriates. A beverage which will not create thirst for intoxicating liquors, and which is intended especially for the benefit of debilitated persons, is Dr. Schenck's Sea Weed Tonic. The nourishing and the life-supporting properties of many valuable natural productions contained in it are well known to medical men to have a most strengthening influence. A single bottle of the Tonic will demonstrate its valuable qualities. For debility, arising from sickness, over exertion or from any cause whatever, a wineglassful of Sea Weed Tonic taken after meals will strengthen the stomach and create an appetite for wholesome food. The excellent effects of Dr. Schenck's seasonable remedies, Sea Weed Tonic, and Mandrake Pills, are particularly evident when taken by those who are injuriously affected by a change of water and diet. No person should leave home without taking a supply of these safeguards along.
For Consumption, Dr. Schenck's Pulmonic Syrup, together with the Sea Weed Tonic and Mandrake Pills, is a most wonderful remedy. Great care is exercised in the preparation of these medicines, and none but the purest ingredients are used. Prepared by Dr. J. H. Schenck & Son, cor. Sixth and Arch Sts., Philadelphia, and for sale by all druggists.

VEGETINE
Prepared by H. R. Stevens, Boston, Massachusetts.

Vegetine is Sold by All Druggists.

Many who are suffering from the effects of the warm weather and are debilitated, are advised by physicians to take moderate amount of whiskey two or three times during the day. In a little while those who adopt this advice frequently increase the number of drinks and in time become confirmed inebriates. A beverage which will not create thirst for intoxicating liquors, and which is intended especially for the benefit of debilitated persons, is Dr. Schenck's Sea Weed Tonic. The nourishing and the life-supporting properties of many valuable natural productions contained in it are well known to medical men to have a most strengthening influence. A single bottle of the Tonic will demonstrate its valuable qualities. For debility, arising from sickness, over exertion or from any cause whatever, a wineglassful of Sea Weed Tonic taken after meals will strengthen the stomach and create an appetite for wholesome food. The excellent effects of Dr. Schenck's seasonable remedies, Sea Weed Tonic and Mandrake Pills, are particularly evident when taken by those who are injuriously affected by a change of water and diet. No person should leave home without taking a supply of these safeguards along. For Consumption, Dr. Schenck's Pulmonic Syrup, together with the Sea Weed Tonic and Mandrake Pills, is a most wonderful remedy. Great care is exercised in the preparation of these medicines, and none but the purest ingredients are used. Prepared by Dr. J. H. Schenck & Son, cor. Sixth and Arch Sts., Philadelphia, and for sale by all druggists.

VEGETINE

SHE RESTS WELL.

South Poland, Me., Oct. 11, 1876.

Mr. H. R. Stevens.

Dear Sir.—I have been sick two years with the liver complaint, and during that time have taken a great many different medicines, but none of them did me any good. I was restless nights, and had no appetite. Since taking the VEGETINE I rest well and relish my food. Can recommend the Vegetine for what it has done for me. Yours respectfully,

Mrs. ALBERT RICKER.

Witness of the above,
Mr. GEORGE M. VAUGHAN,
Medford, Mass.

VEGETINE

GOOD FOR THE CHILDREN.

Boston Home, 14 Tyler Street,
Boston, April, 1876.

Mr. H. R. Stevens.

Dear Sir.—We feel that the children in our home have been greatly benefited by the Vegetine you have so kindly given us from time to time, especially those troubled with Scrofula.

With respect,
Mrs. N. WORMELL, Matron.

VEGETINE.

REV. O. T. WALKER, SAYS:

Providence, R. I., 164 Transit Street.

Mr. H. R. Stevens.

I feel bound to express with my signature the high value I place upon your VEGETINE. My family have used it for the last two years. In nervous debility it is invaluable, and I recommend it to all who may need an invigorating, renovating tonic. O. T. WALKER, Formerly Pastor of Bowdoin-square Church, Boston.

VEGETINE

NOTHING EQUAL TO IT.

South Salem, Mass., Nov. 14, 1876.

Mr. H. R. Stevens:

Dear Sir.—I have been troubled with Scrofula, Canker, and Liver Complaint for three years. Nothing ever did me any good until I commenced using the VEGETINE. I am now getting along first-rate, and still using the VEGETINE. I consider there is nothing equal to it for such complaints. Can heartily recommend it to everybody. Yours truly,

Mrs. LIZZIE M. PACKARD,
No. 16 Lagrange Street, South Salem, Mass.

VEGETINE.

Recommend it Heartily.

South Boston.

Mr. Stevens.

Dear Sir.—I have taken several bottles of your VEGETINE, and am convinced it is a valuable remedy for Dyspepsia, Kidney Complaint and General Debility of the system. I can heartily recommend it to all sufferers from the above complaints.

Yours respectfully,
Mrs. MUNROE PARKER.

VEGETINE

Prepared by H. R. Stevens, Boston, Massachusetts.

Vegetine is Sold by All Druggists.

Many who are suffering from the effects of the warm weather and are debilitated, are advised by physicians to take moderate amount of whiskey two or three times during the day. In a little while those who adopt this advice frequently increase the number of drinks and in time become confirmed inebriates. A beverage which will not create thirst for intoxicating liquors, and which is intended especially for the benefit of debilitated persons, is Dr. Schenck's Sea Weed Tonic. The nourishing and the life-supporting properties of many valuable natural productions contained in it are well known to medical men to have a most strengthening influence. A single bottle of the Tonic will demonstrate its valuable qualities. For debility, arising from sickness, over exertion or from any cause whatever, a wineglassful of Sea Weed Tonic taken after meals will strengthen the stomach and create an appetite for wholesome food. The excellent effects of Dr. Schenck's seasonable remedies, Sea Weed Tonic and Mandrake Pills, are particularly evident when taken by those who are injuriously affected by a change of water and diet. No person should leave home without taking a supply of these safeguards along.

For Consumption, Dr. Schenck's Pulmonic Syrup, together with the Sea Weed Tonic and Mandrake Pills, is a most wonderful remedy. Great care is exercised in the preparation of these medicines, and none but the purest ingredient are used. Prepared by Dr. J. H. Schenck & Son, cor. Sixth and Arch Sts. Philadelphia, and for sale by all druggists.

years of age, he began working out, receiving ten dollars a month compensation at first. He worked as a farm laborer for several years, and, being a young man of frugal and temperate habits, industrious and prudent, accumulated quite a little property. Soon after his marriage he removed to Cayuga County, and settled in the town of Moravia, where he has since lived, an esteemed and respected resident. In 1875 Mr. Kelly bought his present homestead, and has since given his undivided attention to its management, conducting every detail of its work with the same energy and good judgment that had characterized his movements before. That he has prospered is evidenced by his well-stocked barns and storehouses, large herds of sleek cattle, and his excellent dairy. His property contains ninety-three acres of productive land, and on this comfortable homestead he is now enjoying the fruits of his earlier years of toil.

On July 8, 1846, Mr. Kelly was united in marriage with Almira Brown, who was born in Schoharie County, May 12, 1819, a daughter of Nathaniel and Mary (Adams) Brown, the former of whom was born in Massachusetts and the latter in New Jersey. Mr. Brown was for many years a prominent member of the farming community of Schoharie County, and lived there until the time of his decease, November 7, 1831, when fifty-one years old. His wife, who survived him, also died in the same town, Jefferson, the date of her death being November 16, 1868, and her age eighty-six years. Both were sincere Christian people, he being a member of the Dutch Reformed church, and she of the Baptist church. Of the four children born to them Mrs. Kelly is the only one now living.

Nathaniel Brown, the paternal grandfather of Mrs. Kelly, was one of the early settlers of Montgomery County, where he was engaged in farming for many years. He subsequently removed to Schoharie County, and resided in the town of Jefferson, until in the fulness of years he was gathered to his rest. To him and his beloved companion one son and three daughters were born, none of whom are now living.

The maternal grandfather of Mrs. Kelly, John Adams, who was a native of England, when a young man emigrated to the United States, and settled in New Jersey, where he married Anna Schermerhorn, a native of Holland. He was also a veteran of the Revolutionary War, and took an active part in some of its most important engagements. Being a farmer by occupation, and desirous of taking advantage of the cheap lands just opened up in this part of the Empire State, he removed to Montgomery County in the early years of its settlement, and, buying a tract of wild land, improved a homestead, where he and his wife reared their five children, and made a permanent home for themselves. They were long remembered as people of much influence in the community in which they resided, and were held in high respect as representing the best class of the pioneers of the county. They died at about middle age.

Mr. and Mrs. Kelly are the parents of seven children, of whom the following is a brief

CHURCHES.—Many of the earlier settlers in Moravia were men of deep religious convictions, and before the settlements were sufficiently numerous in their immediate locality to support the stated preaching of the word, they traveled many miles to attend divine worship.

The Congregational church was most numerously represented, and the persons of that faith were the first to organize a Church Society. March 12th, 1806, a meeting was held in the village school-house, a confession of faith and form of covenant adopted, and the *First Congregational Church of Sempronius* formed, with the following as its first members: John Stoyell, Cotton Skinner, John Phelps, Sarah Warren, Elizabeth E. Morrow, John Locke, Jacob Spafford, Sarah Stoyell, Justus Gibbs, Levi H. Goodrich, Esther Locke, Mary Curtis, Abigail Spafford, Joseph Butler and Lois Stoyell. The meeting was attended by Revs. Abraham Brokaw and David Higgins. Levi H. Goodrich was chosen first deacon and clerk; and John Stoyell, Cotton Skinner and Levi H. Goodrich were the first trustees.

The first to minister to the spiritual wants of this people were Revs. Seth Williston, Abraham Brokaw and David Higgins; but the first regularly installed pastor was Rev. Royal Phelps, who served them half the time till February 20th, 1816, when he was dismissed. At a church meeting held April 2d, 1808, John Stoyell was unanimously chosen deacon in place of Levi H. Goodrich, who resigned, and he held that office till his death in 1842. Meetings were held variously in Cotton Skinner's barn, the long room of Aunt Cady's tavern, John Stoyell's house, the frame, and afterwards the brick, school-house, in the latter of which the society held an interest for a short time. With this exception, the society did not own a house of worship till 1823, when their present church edifice was erected at an estimated cost of $7,000, on land donated for the purpose by John Stoyell, Sr. The first pulpit used, or rather the thing first used for a pulpit, was a carpenter's work bench. The pulpit afterwards built was very high. It was lowered in 1852. The first seats were moveable and were replaced by slips in 1828–'9.

Mr. Phelps was succeeded in 1816 by Rev. Reuben Porter, who was followed by Rev. Mr. Brown. In 1818 they enjoyed the ministrations of Rev. Isaac Eddy, but it does not appear how long he remained, nor who succeeded him previous to 1825. The church had but four additions to its numbers till 1822, when thirty-three were added. This gave it an impulse and led to the erection of the church edifice. In the minutes of the Presbytery the first report of the membership of this church appears in 1825, when the number of members was eighty-three, and the pulpit was vacant. In that year the services of Rev. Geo. Taylor were secured as a stated supply, and though he was never installed, his ministry was continued till his death, June 30th, 1842. In 1831, forty persons united with the church. September 1st, 1842, Rev. S. P. M. Hastings was acting as pastor. His ministry continued till 1845. During the second year of his pastorate an extensive revival was experienced, which resulted in the addition of sixty-five to the membership.

Rev. A. N. Leighton was the pastor in 1846, and was succeeded by Rev. Luther Conklin, who commenced his labors April 12th, 1847, and continued till April 12th, 1850.

> "In 1846, when many churches were neutral, or undecided, this church took a decided stand against slavery, and resolutions were drafted and passed by a unanimous vote, and spread upon the records of the church, upon this important subject. One of these resolutions, all of which are brief but pointed, is as follows:
>
> "While church censures for unchristian conduct must be in the light of the circumstances connected with each particular case, yet neither the persevering nor determined practice of the principle of slavery, nor the commission of any enormities connected therewith, ought to be tolerated in any church communion."

Rev. A. Austin was the pastor in 1852; and was followed the same year by Rev. R. S. Egleston, who remained till 1854, at a quarterly meeting held July 21st, of which year it was unanimously resolved to discontinue the connection with the Cayuga Presbytery, with which it became connected in 1811, when the Middle Association, to which it originally belonged, was merged into the Cayuga and Onondaga Presbyteries. September 14th, 1859, the church again withdrew from the Presbytery by a vote of seventeen to eleven. It was received by the Cayuga Presbytery June 22d, 1864; and by the Central

A SHORT HISTORICAL SKETCH
OF THE BROWN FAMILY

Reuben Brown one of a family of 13 children was born in the State of New York June 22nd 1799 as will be seen the first six months of his life was spent in the days of Washington. At an early day he moved to Jackson County, Ohio. Two brothers Simpson and zephaniah were early settlers of Tippicanoe Co. Indiana. Both died many years ago. Their descendants the Browns-Wiggins and others are numerous in Indiana. As a child we remember Uncle Simpson coming to the parental home. The day not being pleasant he asked Mothers concent to smoking in the house, a privilege not granted in his own home. We thought it pretty hard then but admire the wife's pluck today. A sister Mrs. Minerva Lott came on a visit to her brothers. Reuben Brown was married to Sarah Jones April 2, 1818. Moved to Defiance County in 1838 and settled on the Infirmary grounds on which we are gathered today. In the family were 9 children, Henry, Nancy, Wesley, Lucinda, Johanna, Mary, Charles, Nathan and Jes. Henry Brown was born April 13th 1819 in Jackson County, Ohio, came with his parents to Defiance County, Ohio in 1833. Was married to Hester Ann Partee August 28, 1842. Of their four children but one is living, our President, C.W. Brown a member of Company E, 111th Reg't. during the Civil War. was married to Hannah Deiden in Apr. 1867. Their only daughter Carrie was married to Byron Hannah in Feb. 1887. They have four children. Hester A. Brown died Dec 10, 1879 and Henry Brown on the following day. Nancy Brown, our Mother was born May 12, 1821, was married to John Partee Oct. 10th 1839. We heard her speak of going to her new home, not in a buggy, nor an automobile, but walked a short distance, stepped over a fence and was at home. Of their seven children but three are living, Mrs. W. P. Bayes of Farmer, W. A. Partee of Angola, Ind. and Mrs. J.O. Wisler of Defiance. The war cloud came and the dark days of 61 to 65 is not forgotten. Their eldest born Alvero enlisted in Company E, 14th Regiment. Girlish hearts were light not fully realizing the horrors of war. For the Boys in Blue were our heroes then but we well remember the falling tears, the sad hearts when the message of missing came to us from the bloody plains of (? Yemon) where one of our household names was added to the long list of martyrs for freedom. Wesley B. was born August (?22nd) 1823) was married to Eliza Dull Oct. 30th 1845. Of their five children but two are living. Mrs. A. W. (?Hagas) and Alva who lives in Defiance. Lucinda B. was born Sept 22nd 1825 and died Jan. 21 1849. Johanna Brown was born May 9, 1829 married to Thomas Reid Aug. 30, 1849, died in Feb. 1899. Of their seven children but three are living. Mrs. D. E. Partee, Mrs Edd Rogers & J. W. Reid. Mary Brown born Feb 3rd 1832, married to A. J. McCauley, Mar. 14th, 1854. Of eight children 5 are living. Sugar Beet Industry Is Important Washington Township Agricultural Pursuit

Ney Newsletter

C. I. HARTSHORN of Ney, has been a reader of the *Crescent-News* for several years and holds the paper in high esteem. He is one of the enterprising citizens of that community, having been the superintendent of the Owosso Sugar Refining Co., for the past five years. The sugar beet industry is a very important department in the agricultural pursuits of the farmers in Washington and Farmer townships, the acreage running into the hundreds. Following is the list of those with whom Mr. Hartshorn holds contracts and the acreage allotted this year:

William ADKINS, 25; A. ALGEA ,10; Saul ANDRES, 4; E. W. BALSER, 5; S. W. BEATTIE, 20; Frank BEERBOWER, 10; John BILLOW, 3; G. F. BROWN, 10; H. F. BURGBACHER, 12; John BURK, 6; Fred G. BRUNNER, 4; H. Sixty four farmers are growing 600 acres and 46 laborers are required to do the blocking, thinning and hoeing. The crop, so far this year, is very promis-

handle the export products that will be shipped from the Ney station, which includes grain, live stock and hay. This fact means that Washington and Farmer townships are efficient in soil facility and production.

C. W. BROWN is one of that class of men it does one good to meet. He was born in Tiffin Township, near the site of the old Children's Home, March 12, 1844 and is the son of Henry and Hester Ann (PARTEE) BROWN. He was married April 19, 1867, to Hannah, daughter of Jacob DIEDEN of Tiffin township. Mr. Brown enlisted in Company E, 111th Ohio, in August 1862. He marched under Sherman from Atlanta to Lovejoy Station, and is now a member of the Bishop Post G.A.R., Defiance. He served as trustee for Children's Home for 11 years, or from 1902 to 1913, and has been a member of the M. E. church for 50 years, beginning his religious service at Rural Chapel. This building was erected on the banks of Tiffin river, near the County Infirmary in 1871. The land now occupied by the County Farm was acquired by Reuben BROWN, grandfather to the subject of this sketch in 1833. The first congregation of Rural Chapel consisted of Methodists who worshipped in the school house one mile west – 25 persons in all – and services are still being held in the chapel they built. Mr. Brown was superintendent of the Sunday School for 25 years. Carrie E., wife of Byron HANNA, is the only child. Four grandchildren and three great-grandchildren make grandfather Brown happy. The grandchildren are Myrtie V. PETERSON, Elsie – wife of J. B. BERGMAN, Bessie G. and Charles Wesley HANNA. Great-grandchildren are Richard L. C., and John Raymond BERGMAN, Ford PETERSON. In politics, Mr. Brown is a Progressive.

Edward SCHWARTZBEK appreciates the weekly visits of the Democrat. He was born July 24, 1859, in Medina County, and is the son of Christian and Regina SCHWARTZBEK, who originally settled on twenty acres in Washington township and later acquired what was known as the old homestead, 60 acres of which is now occupied by Edward. The subject of this sketch was married April ? , 1896 to Lucy, duaghter of John and Judith (STECKLEY) SITES. The children are: Elmer, Carl, Hilda, Nora, Agnes, Walter. Mr. Schwartzbek is giving his attention to 10 acres of wheat, 10 acres of corn, 6 acres of oats, 8 ½ acres of hay and 3 acres of alfalfa.

Subject: Thank You!

Hi Roena,

Thank you so much for calling the other night. It was such a pleasure to talk to you! I'm ecstatic to have found another branch of the tree! Below is the information about my small branch of the tree that I have collected so far.

I am very interested in the Brown family and would love any information you could send. Hopefully during my trip to the Defiance area I will be able to find more information, too.

I also have some pictures I will scan and send to you, if you are interested. I have two Partee Reunion pictures, and some pictures of Johanna and Thomas Reid (I think) as well as one of the daughters, and Jacob Walter. I also have a Reid family portrait. Let me know if you are interested in any of this.

Let me know if you talk to your cousin Annie and if she would like visitors next weekend! I wish very much that you were living in Ohio and that I could visit with you next weekend. I would love to hear your story -- it sounds as if you have had an interesting life! Hopefully we will get a chance to visit someday!

Thank you again for calling.

Your cousin,
Wendy

Great looking ladies. Where are they from?
Doris

Wendy Theehs - Jun 6, 2005 Viewers
These girls grew up in Noble Township, Defiance County, Ohio. My best guess is that this was taken in the early 1860s, because Syrena was born in 1845 and Mahala in 1847. Lucia Langdon was also born in 1845.

Dear Roena,

I am often thinking of the weekend in Defiance, and the wonderful people I spent it with. It was incredible, largely thanks to you and Anna. As you said, I think it **was** all supposed to be! So many of my genealogy goals for that weekend were met. It is just incredible to me that you were there! Thank you for rearranging your plans in order to meet with my Dad and me. You and Anna shed much light on the Brown side, as well as the Reid side, which we knew so little about. It was such a pleasure to meet you both in person!

I have been anxious to get back to work on the family tree ever since the incredible weekend in Defiance. Unfortunately, I have done virtually nothing with all the new information. There has been so much going on since then – Vacation Bible School, my sister-in-law's wedding in Maine, a weekend away with my cousin and her family, getting the boys ready for school, etc. – August was obviously extremely busy. I don't remember a summer month ever being so jam packed. I apologize that it has taken so long for me to write.

Thank you for the latest packet of information you have sent of the items I tagged in your binder. You have proven to be a wonderful wealth of information! The tour of the cemeteries was wonderful. In particular I felt we hit the jackpot at the Kibble (Brown) Cemetery. I knew so little of the Browns and Reids before meeting you! And I loved seeing the Rural Chapel. Couldn't you just imagine all the people gathering in front of the church on a hot day (like we experienced) to capture the reunion in a picture? I feel like they did it for us!

Another major highlight was visiting the restored Langdon Homestead. My Dad was so moved – he had thought that the place had been torn down. When he found out that his father's birth place was still standing, and that the owner was willing to let us visit (although he had visited the outside many times, he had never been inside), he was beside himself. It was truly like stepping back in time when we first walked through the front door. And that Jim had kept the original floor boards, trim, and walls – wow! I don't know if you saw the pictures he showed of the shape the place was in when he purchased it, but it is truly amazing what he has done. We were ecstatic!

In addition, the following day, we went to Evansport and found the M.E. Church that I believe was central in Johanna Brown's life (maybe other Browns as well??) It is no longer called that, but there was a plaque there that confirmed it is it! There was no one there when we visited, but I plan to call to see if they have any old records from the 1800s. I figure they may possibly have some baptismal records, etc. they might be willing to share.

Then my Dad and I went to the Records Dept. and were able to find the wills of Lyman Langdon and Thomas Reid. Turns out Thomas was remarried after the death of Johanna, which was something we didn't know. Also found some marriage and death records. That day we also witnessed a parade through town to honor an MIA soldier from the Vietnam War whose remains were recently found. It was very touching and appropriate that it was pouring rain and storming during the parade. My Dad and I were soaked. It was somehow a fitting end to a very satisfying trip.

I have enclosed some pictures that I thought you might like. Are you interested in any others that I might have? I didn't know if you would like pictures of the Langdon Homestead – my Dad and I took quite a few -- I would be happy to send them if you are. Please let me know if there is anything I have that you are interested in – I would

love to share. There is nothing that I could send that would repay for all that you have shared with me.

I am glad to hear that your convention was a success. It is very interesting to me how far you took your interest in genealogy – all the way to being President of the DUV! Now that my youngest son has entered half day Kindergarten, I have started thinking about what I will do next year when both kids are in school full time. I would like to find a job where I can make a few dollars doing something I love. Since the Defiance trip was so fun, I thought maybe I could do genealogy research for people, or something along those lines. Any suggestions or thoughts you would have on this would be very interesting to me!

Thank you again, Roena, for everything! It was such a pleasure to meet you and I hope to see you again one day soon. Let me know if you make any further trips to Springfield, Illinois...

Love from your cousin,

Wendy

Dear Roena,

Joan and I found it very enjoyable visiting with you by phone yesterday. You have provided us with much source material over the past ten years and we feel that we are ready for Joan to apply for GAR membership.

Within the next few days I will be sending you the material we promised which places Jeremiah P Brown in Michigan around 1890 and also confirms that he is indeed Joan's Grandfather. These records are mainly government pension records for Jeremiah's pension for his army service during the Civil War. These records mention Joan's mother Olives' participation in the pension and thus close the loop for Joan's ties to Jeremiah Brown.

I mentioned that we had records for a dishonorable discharge of Jeremiah (Dated October 9th, 1865) from the army. I will be including these records of the Court Martial for your information. This morning I was doing further study of all the papers we have, and found that the dishonorable discharge was revoked on December 6th, 1865. So we don't have a black sheep in the family after all. You will find the document revoking the dishonorable discharge attached to the Court Marshal proceedings.

We also now know that the marriage of Jeremiah was his second marriage and that he had three children by the previous marriage and two with Joan's Grandmother.

I am also enclosing the picture of Jeremiah Brown plus some other photos you may be interested in, along with a few sheets from the Ellsworth Genealogy.

We will keep in touch,

Frank & Joan

An Apology.

Ferdinand Zeek who has been awarded a pension of $8 a month is very angry because of the notice THE DEMOCRAT made of him, and demands an apology. Here goes:

Mr. Zeek didn't come to America under contract to work for William Ufer. Mr. Ufer met him in Germany in the fall of 1864, and upon contract agreed to and did pay part of the passage money for Zeek and his family to New York. Ufer came home on a steamer. Zeek and family came over on a sailing vessel, arrived in New York in February, 1865, and soon afterward he enlisted and was paid $500 bounty. His family came on to Bryan.

Mr. Zeek enlisted in 1865.

He was paid $500 bounty.

He says he drew two uniforms.

He drilled with a gun four days.

He marched in a railroad car from New York to Buffalo.

The privation and exposure incident to such arduous service affected his eye sight, and he was discharged.

He was in the service fifty-one days. He never saw active service, wasn't at the front, never saw a rebel soldier.

Yet, he is awarded a pension of $8 a month, and Col. McClain says he is preparing to make application for an increase.

George Buskirk says Zeek was a soldier in faderland and our liberal, beneficient government gives him a pension for that.

If the Morrill bill becomes a law a genuine ninety days soldier will draw a pension of $8 a month after he becomes 60 years of age.

If the proposed service pension bill becomes a law a genuine soldier must have served just 800 days to be entitled to the same amount of pension

Another Sudden Death.

Mrs. Marabah Brown, who with her three sons resided at the corner of High and Enterprise streets, died very suddenly about noon Sunday, May 18th. One of the boys went to Montpelier Sunday, another was at work at Arnold's livery stable; when Horace left the home about 11 o'clock his mother was sitting in a chair reading a newspaper. When he returned, about one o'clock she was lying on the floor in another room, dead. Dr. Riggs and subsequently Dr. Badger were called, but she had passed beyond medical relief. She was subject to occasional attacks of epilepsy but had not had one for several months. It is supposed that feeling an attack coming on she had laid down upon a couch and in the convulsion rolled off the couch to the floor where she died. Mrs. Brown was the relict of Jeremiah Brown formerly of Defiance county, had resided in Bryan nine years, and was aged nearly 48 years. The funeral took place Tuesday.

An Apology.

Ferdinand Zeek who has been awarded a pension of $8 a month is very angry because of the notice THE DEMOCRAT made of him, and demands an apology. Here goes:

Mr. Zeek didn't come to America under contract to work for William Ufer. Mr. Ufer met him in Germany in the fall of 1864, and upon contract agreed to and did pay part of the passage money for Zeek and his family to New York. Ufer came home on a steamer. Zeek and family came over on a sailing vessel, arrived in New York in February, 1865, and soon afterward he enlisted and was paid $500 bounty. His family came on to Bryan.

Mr. Zeek enlisted in 1865.

He was paid $500 bounty.

He says he drew two uniforms.

He drilled with a gun four days.

He marched in a railroad car from New York to Buffalo.

The privation and exposure incident to such arduous service affected his eye sight, and he was discharged.

He was in the service fifty-one days. He never saw active service, wasn't at the front, never saw a rebel soldier.

Yet, he is awarded a pension of $8 a month, and Col. McClain says he is preparing to make application for an increase.

George Buskirk says Zeek was a soldier in faderland and our liberal, beneficient government gives him a pension for that.

If the Morrill bill becomes a law a genuine ninety days soldier will draw a pension of $8 a month after he becomes 60 years of age.

If the proposed service pension bill becomes a law a genuine soldier must have served just sixty days to be entitled to the same amount of pension.

Another Sudden Death.

Mrs. Marabah Brown, who with her three sons resided at the corner of High and Enterprise streets, died very suddenly about noon Sunday, May 18th. One of the boys went to Montpelier Sunday, another was at work at Arnold's livery stable; when Horace left the home about 11 o'clock his mother was sitting in a chair reading a newspaper. When he returned, about one o'clock she was lying on the floor in another room, dead. Dr. Riggs and subsequently Dr. Badger were called, but she had passed beyond medical relief. She was subject to occasional attacks of epilepsy but had not had one for several months. It is supposed that feeling an attack coming on she had laid down upon a couch and in the convulsion rolled off the couch to the floor where she died. Mrs. Brown was the relict of Jeremiah Brown formerly of Defiance county, had resided in Bryan nine years, and was aged nearly 48 years. The funeral took place Tuesday.

Frank & Joan,

At last we have a break thru! Bible Records from Minerva Lott. Terry Ward provided these and can you believe we had known each other for some time as we belong to the Tent/Dept. District of Columbia, Daughters of Union Veterans of the Civil War. She was so excited when she found my name in the Jackson Co. Library when she was home on vacation visiting the library. She shared the records with me and is happy to share with others. Now that I have found where Nathan and Margaret (Simpson) Brown lived in New York for about twenty years before removing to OH, I wrote to the Cayuga Lake Historical Soc. and they will do some research for us. I now had a use for the money you sent to me and hope we receive some results such as a specific place of residence in VT. Of course we hope there will be some document to show that Nathan is the same Nathan that served in Capt. Charles Nelson's Co. of Militia, Col. Benjamin Wait's Battallion from July 1781 for the next 73 days for which he received pay thru Sept. of 4f, 13s, 4p.

Want to get this packet off to you so will save details of delay till later. Enough to say I broke my arm a couple weeks ago but it is healing nicely and hope I'm out of this sling before long. Very frustating! My brother died Dec. 23, 1995. Thought I should add that as I know I have told you about him before.

Thanks again for your help and hope I have more info for you soon.

As ever,
Roena

Dear Mrs. Bayes,

Thank you for your letter of April 19th which you sent to my son, Scott Allen, regarding our common ancestry of Reuben Brown and Sarah Jones. My grandfather was Jeremiah Partee Brown, one of their younger sons. Scott asked me to respond to your letter since he has had heavy family responsibilities the past few months. I phoned your home last Saturday and spoke with your husband, I believe. I am sorry that I missed you.

We are anxious to establish the relationship between Nathan Brown of the Vermont militia during the Revolutionary War and Reuben Brown as one of his sons. As you mentioned in your letter, it doesn't seem possible that there could be two Browns in Jackson County, Ohio around 1812/1814 who would have children Simpson and Zephania.

You mentioned that you were going to write for probate records for Nathan to see if he included Reuben as one of his children. We would be very interested in hearing from you regarding any information you may have along this line.

My grandfather's second wife and my grandmother on my mother's side was Elizabeth Brumbaugh and she was born in Independence, Ohio, according to her vital statistics. We have been unable to locate any birth record for her. My mother always said Elizabeth was Pennsylvania Dutch. Her married name became Hammond before she married Jeremiah Brown. She was born in 1858. Would you have any suggestions how to proceed with this investigation?

Also, since you are also related to Sarah Jones, have you been able to obtain any background on her?

It was very kind of you to write to Scott about your willingness to share what you have that would be of interest to us. We would also be willing to do the same. However, it seems from your letter that you have arrived at the same conclusion regarding the Brown relationship back in Jackson County, Ohio, and I am afraid we have been stuck at that point and definitely need to get more information.

I look forward to hearing from you.

Sincerely,

Joan Allen

Mrs. Frank Allen

19 Mar. 1995

Greetings Joan & Frank,

Thanks for the call and apologize for not getting this packet off to you sooner. A few days after you called I had a call from Roxie Cordle,1635 Casey Rd. Apple Grove, W VA 25502. I am enclosing a copy of what she sent. It is very interesting as there appears the name WIGGINS in the early material and in the picture of the first family reunion (inclosed) Cousin May said there were a number of the Wiggins family.

On the sheet labeled "Jackson Co., OH", at the bottom of the page, it seems that there were two Nathan Browns who died about the same time. However Preble and Jackson Counties are not close together. There appears to be quite a few Probate records other than the will for Nathan in Jackson Co. It is not likely that I will get to Jackson or Preble Co. any time soon. I do plan to get to Ohio in Apr. to attend the OGS Meeting in Toledo. While there I hope to get to Ft. Wayne and perhaps I can find more about Simpson and Zephaniah in IN. I do think both Nathans will have to be investigated so we don t' make a gross error in our ancestory. As my records show I haven't spent much time on the Brown family but would like to get back to the immigrant ancestor but if we go back as far as Roxie has records, and they haven't proven some of the material it looks like more than I can manage. I will be happy to know who Ruben's parents were and I really would like to have proof of that.

Of the three DAR applications, Agnes being the earliest with a Nat. #20922, not much primary evidence was required and also not much saved. The other two, Minerva and Rebecca went in on the evidence in Agnes' application and number. Now each one has to prove all the way back to the ReV. ancestor.

I have inclosed both the Partee and the Brown histories read at the 1900 reunion held at the Rural Chapel in Defiance Co. located along the banks of the Tiffin River or Bean Creek as the Indians and early settlers refered to it.

You'll notice on Reuben's Cert. copy of his death record that it says his b/p was PA. but all other records say NY and I think more likely correct as they were earlier records.

Must get over to the nursing home to see my brother so will close now. Hope there will be some tips for further searching in this packet and we can make some progress soon. Good luck and look forward to our next communication.

DIED.

JONES.—At the residence of his son, John B. Jones, in Bryan, March 12, 1884, Jabez Jones, aged 91 years, 8 months and 18 days.

Mr. Jones was one of the few men in this county whose birth dates back into the eighteenth century. Jabez Jones was born in Hampshire county, Va., on June 23, 1792, and came to this State with his parents and settled in Ross county, in 1803. On September 17, 1822, he married Miss Kesiah Barkhimer, in Pleasant township, Fairfield county. On the 10th of October, 1832, he landed with his family on Bean Creek near Brunersburg, in Defiance county, and on March 7, 1834 he settled on land now owned by Jacob and Adam Oberlin, in Jefferson township, this county, then a part of Defiance. The only inhabitants then residents of Jefferson township were John Perkins, Andrew Hood, Eli Oliver and himself. While in Pulaski township there was but James Guthrie, Henry Johnson, Isaac Perkins, John Plummer and Joseph Moss. So it may truthfully be said that he was one of the pioneers, and the last of the entire let of the old generation who listened with him to the howl of the wolf and the screach of the owl, in this then almost unbroken wilderness, to pass away. In October, '51, he sold his Jefferson township farm and moved to Fulton county where he remained until July 1, '71, when he, with his aged wife, took up their home with their son, John B., in Bryan. On the 14th of August, '74, his wife and faithful companion during fifty-two long years of life struggle, passed from earth. He was a soldier of the war of 1812, participated in some of the noted marches but was never in a battle. During the latter years of his life the government he volunteered to serve in his youth, gave him a small pension, $8 per month. He was laid to rest in the Brown cemetery on Thursday. Thus another link, and nearly the last that binds us to the eighteenth century, is severed. He was a staunch Republican, and it was his proudest boast that he had never placed a Democratic ticket in a ballot box in his seventy two years as a voter.

*I am the only living descendant (that I know of) of Henry Simm Brown. Can you help me? I am searching for information concerning the parents and siblings of Aaron Brown, bc.1795 in PA and moved to OH at an early age. He married Rachel (SPENCER) Brown in Hamilton Co., OH, on 9Nov1820. Their children were: William S. Brown, b.1824 in Springfield, Hamilton Co., OH; Aaron Brown Jr., b.1828 in Springfield; Melita Brown, b.1834 in Springfield; Oliver P. Brown, b.1837 in Springfield; and Henry Simm Brown, b.24Nov1838 in Springfield. Rachel died ca 1840, and Aaron then married Rebecca (VAN ZANT) Brown on 31Mar1844 in Hamilton Co., OH. Their children were: Rachel Brown, b.1846 in Springfield, Hamilton Co., OH; Samuel M. Brown, b.1850 in Springfield; and Martha Brown, b.1854 in Springfield. Any inf. regarding Aaron's parents and siblings will be greatly appreciated.. I have spent the past five years in my attempt to get back past Aaron Brown but without any success whatsoever. I am also willing to share all the information I have compiled on this family and their descendants. Note: George's information has been submitted to the BFGS and is archived as GEDCOM file GED_33.ZIP. **GEORGE PAT BROWN PO BOX 464, WORTHAM, TEXAS 76693 ((817) 765-3269***

I have a John Dyer (b.abt 1790) who married Lennah __?__ (b. abt 1795 in Ky.). Thier first son was James Brown Dyer b. abt 1819 in Tn. James had a son named John Brown Dyer b. 10/25/1870. I believe our lines (Brown & Dyer) have crossed somewhere and I think it might be with Lennah __?__. John's father (Joel or John Dyer) was in Wilkes Co.,NC abt 1779 along the Yadkin River. Thier neighbor was a John Brown. In August, 1785 there is record of Joel selling John Brown 100 acres north of the Yadkin river. Could Lennah have been a Brown ? Is this where our paths crossed ? Any information you have in your data base that crosses the Dyers would be of great help. ***Gary Dyer PO Box 401 Columbus, Ms. 39703 email; gdjpdd@ ebicom.net***

Seeking information on Lucinda H. BROWN, b. 1811, d. after 1880 census. She m. Archibald Moore JORDAN, s/o Samuel and Elizabeth JORDAN in Giles Co., TN, in 1822. They divorced in 1855. Various census records show Lucinda's place of birth as ILL, IN, and LA. In 1880 she was living in Wayne Co., TN, and gave her father's place of birth as Virginia and her mother's as Kentucky, but that was unreliable. The family story is that she and her mother and two siblings hid in a hollow log to escape Indians who killed her father and cut out his heart. This story may be (probably is) a fabrication, but if Lucinda were orphaned early, it may be extremely difficult or impossible to find her parents. Her JORDAN children were named: Josiah, Artimecios, Jeptha J., Parthena P., Rosalva D., Saphronia L., Orlando, Ulisses, Sissiva, Josaphine C., Jackson Monroe, and Addie Jordan. Aside from Josiah, the names (and what names!) do not appear to be from her husband's JORDAN family, so could offer a clue as to her BROWN family. Any help will be greatly appreciated. I'll be happy to reimburse for copying and postage costs and will share my information. Thanks. **SARA SLIFE REILLY, EXPAT.-HONG KONG, PO BOX 4381, HOUSTON, TX 77210-4381**.

Desperately seeking inf. on my ancestor George Henry Hill Brown (nickname Dod). He was born 29August1886, Kirkliston, Scotland. Researching my great grandfather Simeon Brown. In 1880 he was living as a boarder with his brother Charles Brown. He and another brother William Brown, show up in an 1886/87 Sioux City directory as the Brown Bros., Carriage and Wagon Makers at 506 Pearl Street. Their residence was at 407 W. 6th Street. Simeon shows up again in 1909 as a blacksmith for Sioux City Traction Co. His residence is the same as in 1900 and stays there until 1917. By 1911, Simeon is the foreman for the Sioux City Service Co., likely the same company, just a new name. In the 1916 directory, Simeon's wife Mary J. Brown is listed as well. By 1917, Simeon and Mary have moved 5 blocks north to 1311 W. 15th Street. They move again in 1920 to 3214 Nebraska Street. Simeon disappears from directory listings sometime after 1923. At least one known discrepancy exists. His marriage licence, indicates an age of 29, at the time of marriage, 21-JUN-1885. This would push his birthday back from 1859 to 1856. I'm not sure if I'm possibly looking at two Simeon BROWN's, both in Sioux City or the marriage record is wrong or the census record is wrong. I have no birth nor death records for him. Alternate spellings for his wife's maiden name are REDOUTEY, REDOUTY, REDOUTER. Simeon Brown had four children; Henry D. BROWN, b. Aug. 1886, Clarence H. BROWN b. Aug 1888, d. Feb. 1937, Florence M. BROWN b. Nov. 1893, Ernest Emmet BROWN b. 21 JUL 1896, d. 24 AUG 1987. Ernest was my grandfather, and a butcher by trade.Can someone help? Donald P. Brown ***DPBROWN@USA.PIPELINE.COM***

I am trying to find the point where the Browns and the Dyers crossed paths! My ancestor is

John Dyer who was born about 1790 and appeared in Marion Co., AL in 1820. He was married to Leannah (possinly Brown) Dyer born about 1799 in KY, (according to Cencus). Thier first son was born in TN (per Cencus) abt 1819 and named James Brown Dyer. James Dyer had a son (1870) named John Brown Dyer. I feel that Leannah's name was possibily Brown and she was possibly a decendant of John Brown who lived along the Yadkin river in Wilkes County, NC. Any help greatly appreciated! ***GARY DYER PO BOX 401 COLUMBUS, MS. 39703 EMAIL; GDJPDD@ EBICOM.NET***

My great-great-grandmother Ellen BROWN O'Donnell (b. 6 Jun 1835 PA, died 31 May 1912 Cresson, PA) was the daughter of Daniel Brown (d. 1845 PA) and Apollonia Plunkett (b. 1796 MD, d. 1869 Cambria Co, PA). Daniel is believed to probably be a son of John Brown (b. 1753, d. 20 May 1820 Cambria Co, PA) and Susan Weakland (b. 1766, d. 2 Oct 1819 Cambria Co, PA). All were parishioners of the Rev. I am looking for any information that will lead me to the ancestry of one Lavina Brown, b. 24 Jun 1750, possibly in Worcester, MA. She m. 1) Daruis Boyden, 16 Dec 1773 and 2) Phineas Town, 16 Jul 1785. Her first marriage is recorded in Worcester Vital Records. Her birth date comes from a family Bible once owned by Phineas Town, now in possession of my uncle. (The IGI lists her birth as 29 Jun 1758, which would seem quite late for a 1773 marriage, and "Thomas Boyden and His Descendants" lists her birth as 29Jun1750.) Her children were: 1) Priscilla Boyden, b. 26 Aug 1774, m. Amasa Bartlett; 2) Alvan Boyden, b. 7Sep1775, m. Mary Holmes Woodward; 3) Asa Boyden, b. 4Mar1776/7, m. Martha Minot; 4) Mary Boyden, b. 24 Nov 1779, m. Isaac Sibley; 5) Esther Boyden, b. 19Dec1781, m. Amasa Stone; 6) Lavinia Boyden, 5. 29Sept1783, m. Jonas Chase; 7) Hannah Town, b. 27 Aug 1786, m. Israel Stratton; 8) Azubah Town, b. 14Apr1788, m. John Prentiss; 9) Sally Town, b. 13Sep1789, m. Benjamin Chaplin. I am descended through Isaac Sibley and Mary Boyden through their son, Daruis Boyden Sibley, b. 7May1801. One other possibility I have come up with is that Lavinia was the same as Levina SLACK (d/o Benjamin Slack who was b. 28Apr1728). Levina m. a man named BROWN and had two children by him. This would require a marriage prior to Boyden at a young age. The Slacks were of Attleboro. Another possibility is she was the daughter of either James of Luke Brown of Worcester, both of whom had pews in the First Church of Worcester along with Daniel Boyden. I have not checked their wills in the Worcester Probate Records in the 1770s, but they are apparently

there and each of these Brown's had children in the 1740s and 1750s. Finally, David Brown and his wife Mindwell (Charlton and Oxford, MA) had a son Ebenezer who named a daughter Levina in 1783. I am interested in finding information on my grandfather; William E. Brown, b. 1828 in Ireland (his parents - William E. Brown and Rosemary (DONNELLY) Brown. William E. Brown died January 1, 1897 in Eagle Lake, Maine October 27, 1852. William m. Helen (FINN) Brown born 1834 in Ireland in a Catholic Church ceremony in Frenchville, Maine. Helen's first name may have been Ellen and she died July 23, 1899 in Eagle Lake, Maine. Helen's parents were Thomas Finn and Helen (MORGAN) Finn. Her name too, may have been Ellen. I'm trying to determine exactly where in Ireland these folks came from. Naturalization records were in a court house in Houlton, Maine which was destroyed by fire and apparently, no duplicates exist. Land grant and census records merely state Ireland as the place of birth. ***JAMES R. BROWN CPA, 7902 JOURNEY LANE SPRINGFIELD VA, 22153. EMAIL; JIMR_BROWN@MSN.COM***

*My grandmother Elsie Pierce (BROWN) Jones passed away February 13, 1996 at the Sequoias in Portola Valley, California at the age of 92. She was born June 11, 1903 in Evanston, Illinois to Robert Clarence Brown and Ella (PIERCE) Brown. She attended Northwestern University, graduating with a BA in English 1925 and an MA in Psychology 1926. She had completed the requirements for both degrees in 1925, but NU wouldn't grant two degrees in one year. Ella Brown was NU Class of 1899 and R Clarence Brown went there, too! As an artist Elsie Brown exhibited in several nationally known exhibitions, and was in the Chicago Area Artists' exhibition at the Art Institute of Chicago 12 times. She also travelled quite a bit. I am very fortunate to have her travel journals and many mementos of her trips. My younger brother has a picture of her from 1927. She is sitting on a camel with her legs stretched out toward it's head and she's wearing *plaid* stockings! I have an ancestor in Hants Cty., Nova Scotia named Rosanna (BROWN) Harvey (1845-1914) who married Monson Goudge Harvey. I know nothing about her family, but I do know that other members of the Brown family were found in Hants Cty. and beyond, dating back to a William Brown (abt. 1750-abt. 1795, born in Tipperary, Ireland) who married a Deborah (MARSTERS) Brown. In my database I have others Browns, but I don't know where they fit into the greater scheme of things: Minnie (BROWN) Harvie m. Howard Harvie, Pearl (BROWN) Harvie m. Albert Harvey, (?) Vermont Research Notes

Loren Vincent Fay

The following notes are offered as updates to the previous articles published in Heritage Quest, numbers 13, 14, 15 and 26.

The Bennington Museum Library

Bennington, Vermont was settled before the Revolution and became a center of patriotic activity for both the American Revolution and the secession of Vermont from New York authority.

A genealogy resource for Southern Vermont not well known to distant researchers is the Bennington Museum Genealogy Library. Located in the old St. Francis de Sales Church, in the section of town near the Old First Church (Congregational) and the old cemetery where many pioneers of the area are laid to rest, the setting is a natural for research. A popular grave in this cemetery is that of the poet Robert Frost. Gravestone rubbing is prohibited, but photography is encouraged.

The Bennington Museum began in 1875 as a historical society to preserve local relics and history. They also erected a tall monument commemorating the Battle of Bennington, which was fought when British forces from the Battle of Saratoga tried to seize supplies stored by Americans in Bennington. The battle was actually fought in New York, where the battlefield is preserved, but it protected the area from any further British raids. Denying the British these supplies helped end the Battle of Saratoga earlier than expected. For a small fee, tourists can ascend the monument, look over the countryside and see the battlefield. The society became a museum in 1928, when the old Catholic church became home for the collections of relics, pottery, glassware, many Grandma Moses paintings and a schoolhouse.

The Genealogy Library of over 3,000 volumes, includes genealogies, town and county histories, manuscripts, maps, and published vital records from New England and New York. The early proprietors' records of Bennington are available in indexed format, including many references to family lists of early settlers. Local cemetery and obituary records are on file. A surname interest listing allows patrons to see names and addresses of people working on similar names. Even if you can't go there, you can register your surname interests by both sending copies of your records and charts and asking that your surname interests to be added to the register. A large map of Bennington town lots in 1785 shows the names of lot holders. This was compiled by Henry Walbridge from town land records and road surveys. The library is open Mondays, Thursdays and Saturdays, 10 am to 4 pm, and Sunday afternoons, 1 pm to 4 pm, or by appointment. Address: Bennington Museum Library, West Main Street, Bennington, Vermont 05201. Telephone: 1-802-447-1571.

Land Ownership Maps and County Atlases of Vermont

Like other states, maps showing land ownership and residency are available for the counties and communities of Vermont. These maps show the names of owners and residents of lands and often show public buildings, churches, cemeteries, businesses, roads, railroads, rivers, creeks, lakes, mountains and other places of interest to the map makers. Wall maps were the earlier version of this idea, followed by atlases that made use of the maps easier. In the atlas, a town, hamlet or city map occupied the pages. Lists of landowners with data about the family origin and situation usually follow the maps in the back of the atlas. Mapmakers include H. F. Walling, E. Rice and C. E. Harwood, J. Chace, Jr., and Hosea Doton. All of the atlases noted below were by F. W. Beers.

Finding these maps is not too difficult. The Vermont Historical Society, 109 State Street, Pavilion Building, Montpelier, Vermont 05602, has all of them and will do photocopy orders through the mail. Ask for copies of the town and year that you need. Enclose a donation to cover the copying and postage. If you want to see the map yourself, search LDS catalogs, Library of Congress catalogs or other libraries with large collections. You might even plan a trip to Vermont.

Planning a trip to do Vermont research can be fun. In the state capital, Montpelier, most of the records of the state are accessible at several locations. The Vermont Historical Society, 109 State Street, has family genealogies, town and county histories, maps, manuscripts and information on how to find your ancestry. The State Library in the Supreme Court Building, 111 State Street, has census records, microfilm copies of newspapers and town reports. Public Records at 6 Baldwin

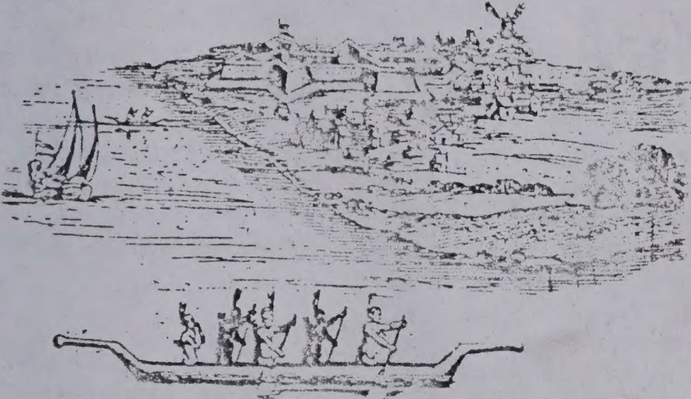
The Holland Society of New York Library

The Holland Society came into being in 1885 when a small group of descendants of the original settlers of New Netherland formed a society for men descended in the male line from those who arrived at the colony prior to 1675. The Constitution of the Society lists one of its primary goals as the founding of a library composed of materials "relating to the Dutch in America." The membership of the Society has gathered information on this topic through fieldwork, individual donations of funds and materials, and support of scholarly work in this area.

Illustration from **Beschrijvinghe van Virginia,** *1631.*



They have published compilations of church records and have sponsored the publication of such noteworthy books as *Dutch Houses in the Hudson Valley before 1776* by Helen Wilkinson Reynolds and the initial collection of *New York Historical Manuscripts: Dutch* translated by A.J.F. van Laer.

The Collection

There are about 7000 books in the library, of which 3000 volumes deal with local history, 3000 are family histories and genealogies, and 1000 are reference books. There is an extensive vertical file collection which includes letters, photographs, genealogies and press clippings. All Holland Society publications are included in the collection. Copies of early Church Records provide information on births, marriages and deaths in New Netherland; these records number 109 volumes and are partially indexed. The library subscribes to historical and genealogical society publications, collecting newsletters of family organizations with ancestry in New Netherland. The settlers to New Netherland came from many countries, and this is reflected in their family records. While the collection focuses primarily on New Amsterdam and Hudson River settlements, it also follows early Dutch migration in America. The strength of this collection is its sharp focus on the history and culture of the families that populated the Dutch Colonies in North America over three centuries ago.

Library hours

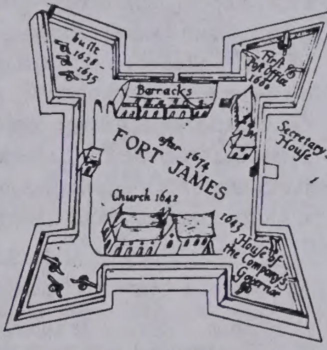
Open Saturdays 11:00 am to 4:00 pm. Closed for holidays and the month of August.

Borrowing policy

Due to the nature of this collection, it does not circulate.

Fees

It is requested that non-members of the Holland Society donate $3.00 each time they use the facility to help defray costs.



The librarian will copy any information requested by library patrons at a cost of 25 cents a page.

Lectures

A series of lectures on aspects of the early history of New Netherland are being planned. For notification, send a stamped, self-addressed envelope.

The library

In 1889 the Holland Society Library was a portable affair, a small collection which moved to the home or office of whomever was in charge of the library. Over the years it has grown to a size that required permanent quarters. The present library facility is located in the New York Genealogical and Biographical Society building in New York City where the Holland Society Headquarters has been situated since 1958. The collection shares space with artifacts from the early Dutch American society that add a unique ambiance to the library.

The Redstone Building, 26 Terrace Street, about two blocks west of Public Records, houses the offices of the Secretary of State, where Vermont state papers, surveyor's general, town charters and lotting plans are filed. The official collections of Vermont vital records and indexes are now located at the General Services Center, just off of Route 2, behind the State Police barracks, where there is plenty of free parking. The research room has about fifteen microfilm readers, copying facilities and an attendant to help you.

Genealogy and Family History:

The Search for Ourselves

David J. Welch

At one time or another every genealogist probably asks himself (or herself) why he is spending his time and resources seeking long dead and often very distant ancestors. Is it rational to spend hours trying to read faded transcripts on malfunctioning microfilm machines, or tramping through a now forgotten cemetery in a blistering summer sun trying to read eroded tombstones? Are our ancestors relevant?

The reasons for genealogical research are probably as diverse as the researchers themselves. To some the rationale is straightforward, i.e, genealogical research is an aspect of their religion. Others may wish to prove descent for legal purposes. About these I need say no more; but what about the rest of us? In my view, the least attractive rationale is the desire to enhance our status by proving descent from a famous (or infamous) historical figure. That's fun, but it shouldn't be counted for too much since at best the link is tenuous.

The Williams County Genealogical Society can now be found on the Internet at:
http://www.bright.net/~southpa/page3.html

Currently on the WCGS site is a list of current officers, membership information and when the society meets.

Each month, queries from the monthly newsletter will be posted and will remain on the site for approximately 30-60 days, until new queries replace the older queries.

Qualifications for First Families of Williams County and briefs from the society's newsletter, ***Ohio's Last Frontier***, can also be found on the WCGS internet site.

Also appearing on WCGS homepage are a link to the Ohio Genealogical Society's homepage, a printable order form for WCGS publications and a listing of WCGS 1997 programs.

Williams County genealogical data can be viewed on the **Williams County, Ohio Genealogy** homepage at:
http: //www.bright.net/~southpa/page2.html

The Williams County, Ohio Genealogy homepage includes the 1827 and 1837 personal property tax lists; local resource addresses (places to write for information and to obtain copies of original source material); addresses of national, area and local libraries that may contain information concerning Williams County and a reference section that lists published histories, atlases, etc. concerning Williams County, Ohio.

An scanned copy of a 1918 Williams County Map can be downloaded (346 kilobytes in size); Volume 1 of the Naturalization Records listing names, date of "intent" and birth country can also be found on the site.

Other Williams County genealogical "leads" that are on-line are: marriage records from 1825-1832; county cemetery locations; newspaper obituary listings; death records 1867-1878; probate entries 1825-1860; a queries page, and much more!

Plans for the future expansion of the site, include Revolutionary, War of 1812, Mexican War and Spanish American war veteran burial information.

Also included in future plans is a "special feature" in which an on-line researcher of Williams County relatives may obtain scanned copies of ancestor photos, residences/businesses, as presented in the 1874 Williams County Atlas, 1882 Williams County History, and the 1920 Williams County History books. The scans will be from original copies and not reprints. Since the site is a volunteer site, there will be no charge for this unique feature. The photo scans will be sent by e-mail only (as an attachment) and the recipient will be able to save the image to their own computer disc.

The Williams County, Ohio Genealogy site is operated by WCGS members Richard and Cathy Cooley.

THE BRYAN PRESS, ON April 25, 1889, printed the following information about the first hundred men from Williams County to serve in the Civil War.

George Brown served in Co. A, 38th O. V. I., from August 26, '61, to Sept. 13, '64, when his term of enlistment expired. He is now residing at Hicksville.

Alonzo Burke did not re-enlist. He is now a resident at or near Topeka, Kans.

Francis P. Brakeman enlisted as a private in Co. K, 68th O. V. I., was made sergeant on the organization of the company, served faithfully and well to the close of the war, was mustered out July 10, 1865, with the regiment. He is now engaged in the saw mill, lumber and roofing business at Melbern, O.

Abraham W. Burgoyne was a member of Co. E, 38th Reg't Ohio Volunteers, from its organization to its muster out July 12, 1865, coming out the honored possessor of a captain's commission. After the war he entered the railroad service in which he still remains. He is a resident of the state of California.

W. A. Carnahan entered Co. E, 38th O. V. I., at its organization and rose to a 2d lieutenancy, when he was transferred to Co. K, same regiment, where he closed his service July 12, '64. He is somewhere in the great west.

Henry Crall served in Co. E, 38th O. V. I., from Oct. 10, '62, to Sept. 10, '63, when he was promoted to principal musician of the regiment, where he served to the end of the war.

Wm. K. Copeland went into the war again in the summer of 1862, in the 100th regiment, coming out at the close of the war. He married and settled down in Bryan; later he moved over into Indiana and now owns and cultivates a farm near Butler.

Warren Fusselman was too active a patriot to quietly remain at home after his brief taste of war, so in the fall of 1861, he joined his fortunes with the 68th, O. V. I., and served to the end of the conflict. He was a good soldier and added his might to keeping up the spirits of the men, both while in camp and on the march. He is now residing at Leigh, Nebraska, is the father of a large family of children, and is doing what he can to teach them by example and precept, to become honored and honorable citizens, in the country whose government he did so much to perpetuate.

E. S. Frager was a member of Co. H, 3rd Ohio Cavalry from its organization. He resided at Edgerton for several years after the war. He is now resident of the soldier state, Kansas.

Philip P. Gillman served in the band of the 38th, O. V. I., from the fall of 1861 until the band was mustered out, Sept. 9th, 1862. He is now a resident of Topeka, Kansas.

C. S. Garrison did not re-enter the service. Much of the time since the war he has been merchandising at Edon, this county. He now owns a farm near Edon and lives in that village.

Daniel B. Gallatin did not re-enlist. In 1862 he secured a position in one of the departments at Washington, where he still remains.

Israel Griffith was a member of Co. K, 68th O. V. I., from its organization until he laid down his life in the hospital, on the battle field of Champion's Hill, Miss., in June, 1863. He fell wounded, while assisting a wounded comrade to a place of safety, in the heat of the battle.

John Harker, now cultivating a farm near Chepstow, Kan., re-entered the service in Co. K, 68th O. V. I., and served to the close of the war. Though severely wounded in the head while fighting on the front line at Champion's Hill, he afterwards returned and only gave up the fight when armed rebellion had ceased.

John C. Horton re-entered the service in August, 1861, in Co. A, 38th O. V. I., and served to the end of the war. After the war he tried his hand at farming, but could not stand the walking necessary to be performed to make that branch

Dear Roena,

Joan and I found it very enjoyable visiting with you by phone yesterday. You have provided us with much source material over the past ten years and we feel that we are ready for Joan to apply for GAR membership.

Within the next few days I will be sending you the material we promised which places Jeremiah P Brown in Michigan around 1890 and also confirms that he is indeed Joan's Grandfather. These records are mainly government pension records for Jeremiah's pension for his army service during the Civil War. These records mention Joan's mother Olives' participation in the pension and thus close the loop for Joan's ties to Jeremiah Brown.

I mentioned that we had records for a dishonorable discharge of Jeremiah (Dated October 9th, 1865) from the army. I will be including these records of the Court Martial for your information. This morning I was doing further study of all the papers we have, and found that the dishonorable discharge was revoked on December 6th, 1865. So we don't have a black sheep in the family after all. You will find the document revoking the dishonorable discharge attached to the Court Marshal proceedings.

We also now know that the marriage of Jeremiah was his second marriage and that he had three children by the previous marriage and two with Joan's Grandmother.

I am also enclosing the picture of Jeremiah Brown plus some other photos you may be interested in, along with a few sheets from the Ellsworth Genealogy.

We will keep in touch,

Frank & Joan
